"takeoff is a blast. from the first explosive scene to the last page, this story pins you to your seat and never lets you go. seth walker, the hero of this riveting tale, is a man worthy of many books. The book is told in first person, so we are permitted to peek inside seth walker's mind. i say peek, because much is hidden from us except for the small chunk "takeoff" is a thriller filled with mixed elements that don't always gel. Takeoff does exactly that from page one, and it doesn't land until the end. you'll be breathless!" - raymond benson "takeoff is a blast. from the first explosive scene to the last page, this story pins you to your seat and never lets you go. seth walker, the hero of this riveting tale, is a man worthy of many books. The book is told in first person, so we are permitted to peek inside seth walker's mind. i say peek, because much is hidden from us except for the small chunks that come off in clunky bits for the author to foreshadow what will happen to seth later. used gracefully, this can propel a book forward. in "takeoff," it felt more like hammer blows. Takeoff (seth walker book 1) review [book] 2018-6-2 18:0 i think this author has potential, but the plot and ending were predictable. i like the main character, and hope he continues with a small more imagination. Joseph reid is the debut author of takeoff, the first adventure of air marshal-turned-investigator seth walker. the son of a navy helicopter pilot, reid chased great white sharks as a marine biologist before becoming a patent lawyer who litigates multi-million-dollar cases for high-tech companies.
